LIT Design Awards Announces 2020 Lifetime Recipients: Mrs Sally Storey in Lighting Design Professor Wout Van Bommel in Lighting Application Research

Los Angeles, CA – The prestigious [LIT Lighting Design Awards](#) is pleased to announce the recipient of the 2020 “Lifetime Achievement” prizes given to Mrs Sally Storey in Lighting Design Professor Wout Van Bommel in Lighting Application Research.

The LIT Lighting Design Awards was created to recognize the efforts of talented international lighting product designers and lighting implementers. The organization believes lighting is both art and a science, and that it is one of the most important elements of design. LIT was envisioned to celebrate creativity and innovation in the fields of lighting products and applications.

Since 2018, LIT is celebrating individuals with major contributions to the Lighting Industry with a special “Lifetime Achievement” prize.

LIT 2020 Lifetime Achievement in Lighting Design: Mrs Sally Storey
Design Director of Lighting Design International and John Cullen Lighting.

For over 30 years, Sally Storey has been guiding John Cullen Lighting and founded Lighting Design International company, gathered a talented team of designers from a variety of backgrounds: architecture, theatre design, fine art, product design and engineering.

Sally has been pushing the boundaries of technology and design to create outstanding spaces and memorable experiences. She has written three well-received successful books on lighting and often contributes to the national and international press.

Sally Storey’s contribution to the Lighting Industry is tremendous!

LIT 2020 Lifetime Achievement in Lighting Application Research: Professor Wout Van Bommel Van Bommel Lighting Consultant

With over 50 years in Lighting Research and Application, Prof. Wout Van Bommel has carried out researches into various lighting subjects; some of the concepts he proposed, are now used in international and national standards for lighting.

Prof. Wout Van Bommel has published more than 150 papers in national and international lighting journals in various languages and wrote well-regarded books.

Member and Chairman of various Lighting Societies and Commissions, Prof. Wout Van Bommel is also a University Professor and speaker.

He is passionate about non-visual biological aspects of lighting influencing health and wellbeing, studying and lecturing about “balancing the positive effects of lighting on living beings with the negative impact of that lighting on the environment. “

About LIT Lighting Design Awards

**LIGHTING
DESIGN
AWARDS**

LIT Design Awards was assembled by the Farmani Group as the sister initiative of the IDA International Design Awards, which has been recognizing and celebrating smart and sustainable multidisciplinary design since 2007.

The Farmani Group, established in 1985, is responsible for many successful awards around the globe. Farmani Group organizes the International Design Awards (IDA), Architecture Masterprize, DNA Paris Design Awards, London International Creative Awards, Prix de la Photographie in Paris, and the Annual Lucie Awards for Photography, which has emerged as one of the world’s most prestigious awards.
